Just Before Goodbye

Nina Nesbitt

You got new jeans, the hood is not gone I'm in the new dress that I've never worn And I could have sworn
You didn't bat an eye when I walked
Into the room and I first thought
You could be the one

Have we been seeing the world through a piece of shattered glass Something so beautiful can fall apart so fast

Just before goodbye
You had the chance to change your mind
Just before you lied saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
You had one last chance to change your mind
Just before goodbye

Curtains are drawn but we're still dressed The film plays on right under my bed I ask what is left now But you ignore, pretend that we're fine We're not together, half of the time I would have known the signs

Have we been seeing the world through a piece of shattered glass Cause something so beautiful can fall apart so fast Don't you understand

Just before goodbye
You had the chance to change your mind
Just before you lied saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbye

Just before goodbye
You had the chance to change your mind
Just before you lied saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbye
Before goodbye
Before goodbye
