

# Standing On One Leg

Nina Nesbitt

I, I used to think the world was flat  
I used to think the sky was black  
But the stars painted it at night  
And I, well I used to give things just like that  
But now I'm always looking back  
To check my footprints in the ground

Our lives had changed but the traces remain  
We all have been framed, twisted and turned  
But I don't wanna hear any more excuses from you

I don't wanna, I don't wanna, I don't wanna talk about it  
I don't wanna, don't wanna, don't wanna hear  
About this new world that's gonna shape me  
And I don't wanna, I don't wanna, I don't wanna see it  
I don't wanna, don't wanna, don't wanna be  
The one that gets knocked off my own two feet

And childhood dreaming was just fine  
I never thought it changed my mind  
About what my left foot bring me  
And you, you always said that you'd be mine  
Exchange your looks for in the line  
About what would end so quickly

Our lives had changed but the traces remain  
We all have been framed, twisted and turned  
But I don't wanna hear any more excuses from you

I don't wanna, I don't wanna, I don't wanna talk about it  
I don't wanna, don't wanna, don't wanna hear  
About this new world that's gonna shape me  
And I don't wanna, I don't wanna, I don't wanna see it  
I don't wanna, don't wanna, don't wanna be  
The one that gets knocked off my own two feet

Oh, oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh

Our lives have changed but the traces remain  
We all have been framed, twisted and turned  
But I don't wanna hear any more excuses from you

I don't wanna, I don't wanna, I don't wanna talk about it  
I don't wanna, don't wanna, don't wanna hear  
About this new world that's gonna shape me  
And I don't wanna, I don't wanna, I don't wanna see it  
I don't wanna, don't wanna, don't wanna be  
The one that gets knocked off my own two feet

I don't wanna, I don't wanna, I don't wanna talk about it  
I don't wanna, don't wanna, don't wanna hear  
About this new world that's gonna shape me  
And I don't wanna, I don't wanna, I don't wanna see it  
I don't wanna, don't wanna, don't wanna be  
The one that gets knocked off my own two feet
