

A Single Woman

Nina Simone

That hasn't always been easy to do.
But just a single woman;
Some times as night the walls talk back to me.
They seem to say
Wasn't yesterday, a better day.

Always alone at home or in a crowd;
A single woman out on a private cloud;
Caught in a world few people understand.
I am what I am...only one single woman.

There was a time...I can't remember when.
The house was full of love but then again
It might have been imaginations plan,
Just to help along,
One single Woman.
