

# Do Nothin' Till You Hear from Me

Nina Simone

Do nothin' till you hear from me  
Pay no attention to what's said  
Why people tear the seam of anyone's  
Dream is over my head?

Do nothin' till you hear from me  
At least consider our romance  
If you should take the word of others you've heard  
Don't you know, I haven't a chance

True, I've been seen with somebody new  
But does that mean that I'm been untrue?  
When we're apart the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And others arms may hold a thrill  
But please, do nothin' till you hear from me  
And baby, you never will

(Do nothin' till you hear from me)  
Nothin' till you hear from me  
(Pay no attention to what's said)  
Pay no attention to what's said  
(Nothin' till you hear)  
Why people tear the seam of anyone's  
Dream is over my head?

(Do nothin' till you hear from me)  
Do nothin' till you hear from me  
(Do nothin' till you hear from me)  
At least consider our romance  
(Nothin' till you hear)

If you should take the word of others you've heard  
True, I've been seen with somebody new  
But does that mean that I'm been untrue?  
When we're apart the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And others arms may hold a thrill  
Please, do nothin' till you hear it from me  
You never will  
Oh, please do nothin' till you hear it from me  
You never will  
(You never will)
