

Don't Take All Night

Nina Simone

Don't take all night
To tell me that you love me
Don't take all night
To tell me you care
Don't you know i have the right
To know if you want me
Tell me now
Take my love
Forever to share
Don't take all night
Now don't keep me waiting
Well i'm allowed to know
The way that you feel
Don't take all night
I'm anxious to know dear
Let your love
With a kiss
Let it be sealed
Everyday I love you more and more
This is the moment
That i've been waiting for
Don't take all night
To tell me you love me
Don't take all night
To tell me you care
Don't take all night I want you to hold me
Tell me now
Take my love
Forever to share
Tell me now
Take my love
Forever to share
