

## Don't Take All Night

Nina Simone

Don't take all night  
To tell me that you love me  
Don't take all night  
To tell me you care  
Don't you know i have the right  
To know if you want me  
Tell me now  
Take my love  
Forever to share  
Don't take all night  
Now don't keep me waiting  
Well i'm allowed to know  
The way that you feel  
Don't take all night  
I'm anxious to know dear  
Let your love  
With a kiss  
Let it be sealed  
Everyday I love you more and more  
This is the moment  
That i've been waiting for  
Don't take all night  
To tell me you love me  
Don't take all night  
To tell me you care  
Don't take all night I want you to hold me  
Tell me now  
Take my love  
Forever to share  
Tell me now  
Take my love  
Forever to share
