## **Everyone's Gone to the Moon**

## **Nina Simone**

Streets full of people, all alone Roads full of houses, never home A church full of singing, out of tune Everyone's gone to the moon

Eyes full of sorrow, never wet Hands full of money, all in debt Sun coming out in the middle of June Everyone's gone to the moon

You see a long time ago life had begun Everyone went to the sun

Parks full of motors, painted green Mouths full of chocolate-covered cream Arms that can only lift a spoon

You see everyone's gone
Everybody's gone
Everyone's gone to the moon
Everyone's gone to the moon
What will happen now
Everyone's gone to the moon
There's nobody left
Everyone's gone to the moon
