If You Knew / Let It Be Me

Nina Simone

If you knew how I missed you You would not stay away today Don't you know I need you Stay here my dear with me

I need you here my darling Together for a day a day Together never parting Just you just me my love

I can't go on without you
Your love is all I'm living for
I love all things about you
Your heart, your soul my love

I need you here beside me Forever and a day a day I know whatever betides me I love you I love you I do
