

If You Pray Right

Nina Simone

If you love right, heaven belongs to you
If you love right, heaven belongs to you
If you love right, heaven belongs to you
Oh oh, heaven belongs to you

If you sing right, heaven belongs to you
If you sing right, heaven belongs to you
If you sing right, heaven belongs to you
Oh oh, heaven belongs to you

If you act right, heaven belongs to you
If you act right, heaven belongs to you
If you act right, heaven belongs to you
Oh oh, heaven belongs to you

If you love right, heaven belongs to you
If you love right, heaven belongs to you
If you love right, heaven belongs to you
Oh oh, heaven belongs to you

If you sing right, heaven belongs to you
If you play right, heaven belongs to you
If you play right, heaven belongs to you
Oh oh, heaven belongs to you

If you love right, heaven belongs to you
If you love right, heaven belongs to you
If you love right, heaven belongs to you
Oh oh, heaven belongs to you

If you sing right, heaven belongs to you
If you sing right, heaven belongs to you
If you sing right, heaven belongs to you
Oh oh, heaven belongs to you

If you play right, heaven belongs to you
If you play right, heaven belongs to you
If you play right, heaven belongs to you
Oh oh, heaven belongs to you
