Just Say I Love Him

Nina Simone

Just say that I need him as roses need the rain
And tell him that without him my dreams are all in vain
Just say I love him loved him from the start
And tell him that I'm yearning to say what's in my heart
Just say that I need him as roses need the rain
Tell him that without him my dreams are all in vain

If you should chance to meet him anytime anyplace anywhere
Say I was a fool to leave him
Tell him how much a fool can care
And if he tells you he's lonely now and then
Just won't you tell him that I love him
And want him back again

If you should see him anytime anyplace anywhere
Tell him I was a fool to leave him
Tell him how much a fool can care
And if he tells you he's lonely now and then
Won't you just say I love him and want him back again
Won't you just say I love him and want him back again
