

# Lonesome Cities

Nina Simone

There's a few more lonesome cities that I'd like to see  
While the want of wanderlust is still inside of me  
There's a few more handsome men that I'd like to know  
Just a few more handsome men is down the road I go

Maybe, when I've seen it all, seen all there is to see  
I'll find out I still cannot run away from me

Just as long as trains keep running, restless woman I'll be  
And there's a few more lonesome cities that I'd like to see

Hey now, maybe, when I've seen it all, seen all there is to see  
I'll find out I still cannot run away from me

Just as long as trains keep running, restless woman I'll be  
And there's a few more lonesome cities that I'd like to see  
Just a few more lonesome cities that I'd like to see
