

Rich Girl

Nina Simone

There's a rich girl
You know you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
It's a bitch girl
And you've gone too far
And you know it don't matter anyway
Money money
Won't get you too far, get you too far

Don't you know, don't you know
That it's wrong to take what is given you
So far gone, on your own
And you can get along, but you gotta be strong
You can never be strong

There's a rich girl
You know you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
It's a bitch girl
You know you've gone too far
And you know it don't matter anyway
Money money
Won't get you too far, get you too far

High and dry, out of the rain
It's so easy
To hurt others when you can't feel pain
So far gone, on your own
And you can get along, but you gotta be strong
You can never be strong

Don't you know, don't you know
That it's wrong to take what is given you
So far gone, on your own
And you can get along, but you gotta be strong
You can never be strong

There's a rich girl
You know you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
It's a bitch girl
You know you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
There's a rich girl
And you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
It's a bitch girl

You know you've gone too far
And you know it don't matter anyway
You can rely on your old man's money
You can rely on your old man's money
