Move your body girl Makes the fellas go The way you ride it girl Makes the fellas go

All up in the club looking fly
Made your first approach
And caught his eye
Slowly move your way towards the dance floor
Grabed her hand
And she whispered
Hold my hip
Got in the groove
Stand behind me
Let me grind with you
If I lick my lips
I'm prob'ly feeling you
Imma make you go ooh

Whoo (you feelin' it now) Take it slow Turn me on Club gets warmer Body moves closer One with the rhythm Don't stop moving You're making me HOT From head to toe I feel your flow Vibe gets stronger Party seems longer Makes me really want'cha Don't stop moving You're making me НОТ

Can you feel the beat
Can you feel the beat
Can you feel the beat
Can you
Can you
Can you feel the beat

Can you feel the beat within my heart Can't you see my love shine through the dark

Can you feel the beat

Can you feel the beat within my heart
Can't you see my love shine through the dark
Can't you see that you must be a part
Of that beat in my heart

Slow wind, slow wind, slow wind Fast wind, fast wind, fast wind Move your body, move your body, move your body [Chorus x4]
