

## On Some Bullshit

Nina Sky

Passing me by,  
Remember when I used to give you some time,  
(And oh I wasted it)  
I can't deny, you were important for a very small time  
(So insignificant)

And now you're talkin shit,  
Like I aint hearin it,  
Your boys be tryna holla,  
I know your feelin it,  
You say it's dead and gone,  
But you still play my songs,  
I hear you're gettin all emotional

Because I'm on some bullshit  
Fuck what you heard  
I'm really on some bullshit  
Fuck what you heard  
You know I'm on some bullshit  
Fuck what you heard  
I'm really on some bullshit  
Fuck what you hea hea heard.

Had some goodtimes,  
I aint gon' lie but they were never at night,

Let all that slide (slide)  
Cause after all I thought u were a nice guy,  
(Really you were a bitch)

And now your talkin shit,  
Like I aint hearin it,  
Your boys be tryna holla,  
I know your feelin it,  
You say it's dead and gone,  
But you still play my songs,  
I hear you're gettin all emotional.
