

Secrets

Nina Sky

Uh-huh, o-o-oh
O-oh, o-oh, o-oh

Oh, I don't know what you're feeling
Hope I show what I'm trying to say through my body language
Boy, can you read it?
How inside I'm feeling, boy, got me feigning
So can I get to know you a little more?
Let me make you see what I've been holding inside
Guarantee that this is right
Might be wrong but we're going there tonight

(And that's why I'm keeping secrets) Don't want no one to know
(And that's why I'm keeping secrets) From the one that I love
(And that's why I'm keeping secrets) Though it's wrong to my baby
Maybe I'm crazy

No, don't you keep me waiting
Boy, come close, I won't be afraid
Though they might find out somehow, I won't say it
ooh, I want you badly now, take me away
You had me in a daze
Since that room when I saw your face
Tried to hide all that I felt but your kisses make me melt
And if it's wrong, I'm 'gon keep it to myself

(And that's why I'm keeping secrets) Don't want no one to know
(And that's why I'm keeping secrets) From the one that I love, yeah
(And that's why I'm keeping secrets) Though it's wrong to my baby
Maybe I'm crazy, oh I'm

Keeping secrets
I can't help myself (Oh, I)
Keeping secrets
I can't help myself (Oh, I)
Keeping secrets
I can't help myself (Oh, I)
Keeping secrets
I can't help myself

(And that's why I'm keeping secrets) Don't want no one to know
(And that's why I'm keeping secrets) From the one that I love
(And that's why I'm keeping secrets) Though it's wrong to my baby
Ooh, I

(It's crazy, but I) Keeping secrets
I can't help myself
(Crazy, but I) Keeping secrets
I can't help myself
(It's crazy, but I) Keeping secrets
I can't help myself
(Said, I can't help myself) Keeping secrets
I can't help myself

Keeping secrets
I can't help myself
Keeping secrets

I can't help myself
Keeping secrets
I can't help myself
Keeping secrets
I can't help myself

And that's why I'm keeping secrets
And that's why I'm keeping secrets
And that's why I'm keeping secrets
And that's why I'm keeping secrets
