A Girl Can Dream

When I was a child the story would say Somebody will sweep you off your feet some day That's what I hoped would happen with you More than you could know

I wanted to tell you that my heart's in your hands I prayed for the day that I would get the chance And just when I worked up the courage to try Much to my surprise

You had somebody else These feelings I keep to myself

I may never get to hold you so tight I may never get to kiss you goodnight I may never get to look deep in your eyes Or so it seems I always will be wishing you were mine I'll think about what could be all the time All the happiness that I could find Baby, a girl can dream

From the moment I wake up till I fall asleep I imaging you're not with her but with me Talking and laughing sharing our dreams But it's just a fantasy

Cause you have somebody else These feelings I keep to myself

...A girl can dream its true And to call you my own It's the sweetest dream I know

[repeat chorus]
