

I Could Not Ask For More

Nina

Lying here with you
Listening to the rain
Smiling just to see smile upon your face
These are the moments I thank God that I'm alive
These are the moments I'll remember all my life
I found all I've waited for
And I could not ask for more
Looking in your eyes
Seeing all I need
Everything you are is everything to me
These are the moments I know heaven must exist
These are the moments I know all I need is this
I have all I've waited for
And I could not ask for more
I could not ask for more than this time together
I could not ask for more than this time with you
Every prayer has been answered
Every dream I have's come true
And right here in this moment is right were
I'm meant to be
Here with you here with me
These are the moments I thank God that I'm alive
These are the moments I'll remember all my life
I've got all I've waited for
And I could not ask for more
I could not ask for more than this time together
I could not ask for more than this time with you
Every prayer has been answered
Every dream I have's come true
And right here in this moment is right were
I'm meant to be
Here with you here with me
I could not ask for more than the love you
give me 'cause it's all I've waiting for
And I could not ask for more
I could not ask for more...
