

Shoo-Bee-Doo

Nina

Shoo bee doo bee doo ooh la la

When I look in your eyes
Baby, here's what I see
I see so much confusion
And it's killing me

I can't take it anymore, baby
Why dint you dry your eyes
Try and realize
Love can open any door and maybe
It you trust in me
I can make you see

Shoo bee doo bee doo ooh la la come to me baby
Shoo bee doo bee doo ooh la la don't say maybe
Shoo bee doo bee doo ooh la la come to me baby
Shoo bee doo bee doo ooh la la

I can see you've been hurt before
Don't compare them to me
Coz' I can give so much more
And know you're all I see

I can make it on my own, baby
But I'd rather share all the love that's there
I don't want to be alone and maybe
You will see the light
Baby, spend the night

Shoo bee doo bee doo
Shoo bee doo bee doo baby

Come to me baby
Pretty darling, don't say maybe
