

Stay (with Me)

Nina

When I think about the time
I believe I knew the ways of love
All the chances that I took
I thought I knew it all
Even when I wonder how
I made it through it all
I know I do it all over again

Chorus

Stay with me
You & I would always be
Close to each other
Stay with me
Loving you is so easy
Please wont you stay with me

When I look into your eyes
I don't need to hear the words I love
I can feel it in my heart
You have a way with me
& I feel so good each time
I hear you say to me
Living each day with me
Is all that you need

Chorus

Stay with me
You & I would always be
Close to each other
Stay with me
Loving you is so easy
I want you always

Bridge:

Stay with me
Everyday with me
Stay with me
Stay...

(Instrumental)

(Repeat bridge -except last word)

(Repeat Chorus)

Coda:

Stay, forever & ever
Forever & ever

Outro:

Stay with me
Loving you is so easy
Please wont you stay with me.
