Absolutely (Story Of A Girl)

This is the story of a girl Who cried a river and drowned the whole world And while she looks so sad in photographs I absolutely love her When she smiles

Now how many days in a year She woke up with hope But she only found tears And I can be so insincere Making her promises never for real

As long as she stands there waiting Wearing the holes in the soles of her shoes Now how many days disappear When you look in the mirror? So how do you choose?

Your clothes never wear as well the next day And your hair never falls in quite the same way You never seem to run out of things to say

This is the story of a girl Who cried a river and drowned the whole world And while she looks so sad in photographs I absolutely love her When she smiles

Now how did we wind up this way Watching our mouths for the words that we say As long as we stand here waiting Wearing the clothes or the soles that we choose

Now how do we get there today? When we're walking too far for the price of our shoes

Your clothes never wear as well the next day And your hair never falls in quite the same way You never seem to run out of things to say

This is the story of a girl Who cried a river and drowned the whole world And while she looks so sad and lonely there I absolutely love her When she smiles

Well your clothes never wear as well the next day And your hair never falls in quite the same way You never seem to run out of things to say

This is the story of a girl Who cried a river and drowned the whole world And while she looks so sad in photographs I absolutely love her

This is the story of a girl Her pretty face she hid from the world Nine Days

And while she looks so sad and lonely there I absolutely love her

This is the story of a girl Who cried a river and drowned the whole world And while she looks so sad in photographs I absolutely love her When she smiles When she smiles!
