

Bitter

Nine Days

In my heartsent my confession my condolence,
You're indefinite you're incompetent inconsiderate.
You're so childish,
I will push you out of what is real out of my head.

You can stick and drown at your residence of dissapointments,
Are of yours to come.
So embrace them oh my shallow one today,
If I could change anything then I would change everything.

These bitter days shall remain.
I don't ask for your forgiveness I don't care much for your act
ress.
That's just you though shallow and selfish.
So I go now oh my hollow one today.

If I could change anything then I would change everything.
These bitter days shall remain.
So carry your blues behind your eyes,
Don't flatter yourself I will survive.

So carry your blues your own denial.
Your feathers are gone you'll never fly.
If I could change anything,
Then I would wipe the years away.

If I could change anything,
Then I would wipe the years away.
If I could change anything,
Then I would change everything.

These bitter days shall remain.
Since you're gone I'm much better than you.
So carry your blues behind your eyes,
Don't flatter yourself I will survive.

So carry your blues your own denial.
Your feathers are gone you'll never fly.
She'll never fly.
