

I wont let you down,  
if I'm not around  
and you will be free,  
and I will be myself  
I wont fill your eyes with tears,  
if I lose all my fears  
but who would I be?  
and would you recognize me?  
tell me who would you see?  
when you say...

that I would be ours and you would be mine  
and everything else here would work out just fine  
if you could hold on, I could be everything  
I could be everything...

I cant make up my mind, believe me I've tried  
but I cant hold on...  
I wont fill your eyes with tears, if I lose all my fears  
but who would I be? and would you recognize me?  
tell me who would you see?  
when you say...

I know that there's nothing in this world that you've known,  
that I've shown, that could hurt you this way  
and I wish that I had no part in this play,  
and that we hadn't wound up this way  
for I'd say...

that I would be yours and you would be mine  
and everything else here would work out just fine  
if we could hold on, we could be everything  
we could be everything,  
yes, we could be everything...
