

# I Love You

## Nine Days

When I was, a younger man  
I hadn't a care  
Foolin' around  
Hittin' the town

Growin' my hair  
You came along  
And stole my heart  
When you entered my life

Oh girl you got what it takes  
Want to make you my wife  
Since then I never look back  
It's almost like living a dream

And oh I love you  
You came along from far away  
And found me here  
I was playing around

Feeling down  
Hiding my fear  
You picked me up from off the floor  
And gave me a smile

You said you're much too young,  
Your life ain't begun  
Let's walk for awhile  
And as my head was spinning round

I gazed into your eyes  
Oh I want you  
And thank you girl for being a friend  
And shining your light on my life

'Cause oh I need you  
As my head was coming round  
I gazed into your eyes  
Oh I want you

Thanks again for being my friend  
And straightening out my life  
'Cause oh I need you  
Since then I never look back

It's almost like living a dream  
Oh I got you  
If ever a man had it all  
It would have to be me  
And oh I love you
