

So Far Away

Nine Days

If you leave where will you go
Before the regret you hold in your heart will start to show...
If you leave how will you know
If our ever after ever had a chance to grow
Do you dream or do you sleep
Do you pick and choose amongst the jewels for one to keep
Do you will upon a star
Or does everything just out of reach seem just too far away
nothing seems to change
Let alone you won't forget my name
Just don't lose what you know
Just don't lose what you know
When you're so far away...
...so deep you say
and no matter where you go it all ends up the same...
Do you wish upon a star
Or does everything just out of reach seem just too far away
What you lose is what you know
Where you go is where you grow
How near we've come is yet to show
We've come so close yet so far away...
what did I do to you
so far away...what did I do to you
