Suddenly

Nine Days

She's everything and more a girl could be,
She could have been the last on earth to me,
Everything I knew I left behind,
Just for a chance at simple life,
Laying on a hardwood floor,
With a photograph from an antique store with you,
Dust old records off from a milk crate shelf,
Let the needle drop ohhhhhh,
I believe in a brown eyed girl,
That could change the world and me,
Don't it make it seem like suddenly,
Everything is so surreal
Like the color in her eyes,
Takes me far away,
She came suddenly
She never lets me fall too far behind,
I won't walk ahead of her I won't,
Two notes of a chord side by side,
Two steps down a path between the vine.
I feel the magic of a girl who who'll bring the best of me out through,
I think I'd rather be close to you, to you
I believe in a brown eyed girl,
That could change the world and me,
Don't it make it seem like suddenly,
Everything is simple like a motorcycle ride,
Faster than the rain, she came suddenly,
I feel, you fell,
All that's good still through each melody,
I thank you for youuuuuuuuuuuuuuu
I feel the magic of a girl who, will bring the best of me out through,
I think I'd rather be close to you,
Ooohhhh
I believe in a brown eyed girl,
That could change the world and me,
Don't it make it seem like suddenly,
Everything is so surreal
Life the color in her eyes,
Takes me far away,
Where I want to stay,
La da da da da,
She came suddenly,
La dad a dad a,
She came suddenly,
La da da da da
