

# The Price

Nine Days

How long I have wanted  
This dream to come true  
And as it approaches  
I can't believe I'm through  
I've tried, oh I've tried  
For a life, yes a life  
I thought I knew  
Oh it's the price we gotta pay  
And all the games we gotta play  
Makes me wonder if it's worth it  
To carry on  
Cause it's a game we gotta lose  
Though it's a life we gotta choose  
And the price is your whole life  
Until it's gone  
Time seems to have frozen  
But the mind can't be fooled  
As the days pass I discover  
Destiny just can't be ruled  
Hard times, oh hard times  
For the price, yes the price  
I thought I knew  
Oh it's the price we gotta pay  
And all the games we gotta play  
Makes me wonder if it's worth it  
To carry on  
Cause it's a game we gotta lose  
Though it's a life we gotta choose  
And the price is your whole life  
Until it's gone  
Until it's gone  
Oh it's the price we gotta pay  
And all the games we gotta play  
Makes me wonder if it's worth it  
To carry on  
Cause it's a game we gotta lose  
Though it's a life we gotta choose  
And the price is your whole life  
Until it's done  
Oh it's the price we gotta pay  
And all the games we gotta play  
Makes me wonder if it's worth it  
To carry on  
Cause it's a game we gotta lose  
Though it's a life we gotta choose  
And the price is your whole life  
Until it's done
