

## Big Man with a Gun

Nine Inch Nails

I am a big man  
(Yes I am)  
And I have a big gun  
Got me a big old dick and I  
I like to have fun  
Held against your forehead  
Well I'll make you suck it  
Maybe I'll put a hole in your head  
You know. Just for the fuck of it  
Well I can reduce you if I want  
Well I can devour  
I'm hard as fucking steel and I've got the power  
I'm every inch a man and I'll show you somehow  
Me and my fucking gun  
Nothing can stop me now

Shoot shoot shoot shoot shoot  
I'm going to come all over you  
Me and my fucking gun  
Me and my fucking gun
