

Even Deeper

Nine Inch Nails

I woke up today
To find myself in the other place
With a trail of my footprints
From where I ran away
It seems everything I've heard
Just might be true
And you know me
(Well you think you do)
Sometimes, I have everything-
Yet I wish I felt something

Do you know how far this has gone?
Just how damaged have I become?
When I think I can overcome
It runs even deeper

And in a dream I'm a different me
With a perfect you
We fit perfectly
And for once in my life I feel complete-
And I still want to ruin it
Afraid to look
As clear as day
This plan has long been underway

I hear them call
I cannot stay
The voice inviting me away

Do you know how far this has gone?
Just how damaged have I become?
When I think I can overcome
It runs even deeper
Everything that matters is gone
All the hands of hope have withdrawn
Could you try to help me hang on?
It runs...

I'm straight
I won't crack
On my way
And I can't turn back
I'm okay
I'm on track
On my way
And I can't turn back
I stayed
On this track
Gone too far
And I can't come back
I stayed
On this track
Lost my way
Can't come back
