

God Break Down the Door

Nine Inch Nails

God break down the door
God break down the door
You won't find the answers here
Not the ones you came looking for

God break down the door
Everything all at once
There aren't any answers here
No, no, not anymore

God break down the door
God break down the door
You won't find the answers here
Not the ones you came looking for

God break the door
Everything all at once
There aren't any answers here
No, no, no, no

Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in
