

# Happiness in Slavery

Nine Inch Nails

Slave screams he thinks he knows what he wants  
Slave screams thinks he has something to say  
Slave screams he hears but doesn't want to listen  
Slave screams he's being beat into submission

Don't open your eyes you wont like what you see  
The devils of truth steal the souls of the free  
Don't open your eyes take it from me  
I have found  
You can find  
Happiness in slavery

Slave screams he spends his life learning conformity  
Slave screams he claims he has his own identity  
Slave screams he's going to cause the system to fall  
Slave screams but he's glad to be chained to that wall

Don't open your eyes you wont like what you see  
The blind have been blessed with security  
Don't open your eyes take it from me  
I have found  
You can find  
Happiness in slavery

I don't know what I am I don't know where I've been  
Human junk just words and so much skin  
Stick my hands thru the cage of this endless routine  
Just some flesh caught in this big broken machine
