

Hurt

Nine Inch Nails

I hurt myself today, to see if I still feel
I focus on the pain, the only thing thats real
The needle tears a hole, the old familiar sting
Try to kill it all away, but I remember everything

What Have I become, my sweetest friend
Everyone I know, goes away in the end
And you could have it all, my empire of dirt
I will let you down, I will make you hurt

I wear this crown of shit, upon my liars chair
Full of broken thoughts, I cannot repair
Beneath the stains of time, the feeling disappears
D E Bm D E A (Hold and let fade)
You are someone else, I am still right here

What Have I become, my sweetest friend
Everyone I know, goes away in the end
And you could have it all, my empire of dirt
I will let you down, I will make you hurt

If I could start again, a million miles away
I would keep myself, I would find a way.
