

# Hurt

Nine Inch Nails

I hurt myself today, to see if I still feel  
I focus on the pain, the only thing thats real  
The needle tears a hole, the old familiar sting  
Try to kill it all away, but I remember everything

What Have I become, my sweetest friend  
Everyone I know, goes away in the end  
And you could have it all, my empire of dirt  
I will let you down, I will make you hurt

I wear this crown of shit, upon my liars chair  
Full of broken thoughts, I cannot repair  
Beneath the stains of time, the feeling disappears  
D E Bm D E A (Hold and let fade)  
You are someone else, I am still right here

What Have I become, my sweetest friend  
Everyone I know, goes away in the end  
And you could have it all, my empire of dirt  
I will let you down, I will make you hurt

If I could start again, a million miles away  
I would keep myself, I would find a way.
