In Two

Nine Inch Nails

Split Split in two Somethin' else Shed Precious skin Save yourself Bleed Afterbirth What you're worth Yes Yes, of course It's gonna hurt Nature is violent The nature of the beast is violent You know that And someone else Another one that wasn't me, no It's getting harder to tell the two of you apart It's getting harder to tell the two of you apart I can't believe I could never remember which one you are It's getting harder to tell the two of you apart Thrive Just become Your disease Leave Them behind You are free Hey What you want You deserve Yes Yes, of course This is gonna hurt It's getting harder to tell the two of you apart It's getting harder to tell the two of you apart I can't believe I could never remember which one you are It's getting harder to tell the two of you apart I just don't know anymore I just don't know anymore
