Into the Void

Nine Inch Nails

Tried to save myself but myself keeps slipping away

Talking to myself all the way to the station Pictures in my head of the final destination All lined up (All the ones that aren't allowed to stay) Tried to save myself but myself keeps slipping away

Tried to save a place from the cuts and the scratches Tried to overcome the complications and the catches Nothing ever grows and the sun doesn't shine all day Tried to save myself but myself keeps slipping away
