

# Ringfinger

## Nine Inch Nails

Well you've got me working so hard lately  
Working my hands until they bleed  
If I was twice the man I could be  
I'd still be half of what you need  
Still you lead me and I follow  
Anything you ask you know I'll do  
But this one act of consecration is what I ask of you

Ringfinger  
Promise carved in stone  
Deeper than the sea  
Ringfinger  
Sever flesh and bone  
And offer it to me

Well you just leave me nailed here  
Hanging like Jesus on this cross  
I'm just dying for your sins  
And aiding to the cause

Ringfinger  
Promise carved in stone  
Deeper than the sea  
Ringfinger  
Sever flesh and bone  
And offer it to me

Wrap my eyes in bandages  
Confessions I see through  
I get everything I want  
When I get part of you

Ringfinger  
Promise carved in stone  
Deeper than the sea  
Ringfinger  
Sever flesh and bone  
And offer it to me

Ringfinger  
Promise carved in stone  
Deeper than the sea  
Ringfinger  
Devil's flesh and bone  
Do something for me
