You had all of them on your side, didn't you?

You believed in all your lies, didn't you?

The ruiner's got a lot to prove he's got nothing to lose and no w he made you believe

The ruiner's your only friend well he's the living end to the c attle he deceives

The raping of the innocent you know the ruiner ruins everything he sees

Now the only pure thing left in my fucking world is wearing you r disease

How did you get so big?

How did you get so strong?

How did it get so hard?

How did it get so long?

You had to give them all a sign, didn't you?

You had to covet what was mine, didn't you?

The ruiner's a collector he's an infector serving his shit to h is flies

Maybe there will come a day when those that you keep blind will suddenly realize

Maybe it's a part of me you took it to a place I hoped it would never go

And maybe that fucked me up much more than you'll ever know

How did you get so big?

How did you get so strong?

How did you get so hard?

How did it get so long?

And what you gave to me

My perfect ring of scars

You know I can see what you really are

You didn't hurt me nothing can hurt me

You didn't hurt me nothing can stop me now
