

## That's What I Get

Nine Inch Nails

Just when everything was making sense  
You took away all my self-confidence  
Now all that I've been hearing must be true  
I guess I'm not the only boy for you

But that's what I get  
That's what I get  
That's what I get  
That's what I get

How could you turn me into this?  
After you just taught me how to kiss you  
I told you I'd never say goodbye  
Now I'm slipping on the tears you made me cry

But that's what I get  
That's what I get  
That's what I get  
That's what I get

Why does it come as a surprise  
To think that I was so naive  
Maybe didn't mean that much  
But it meant everything to me

But that's what I get  
That's what I get  
That's what I get  
That's what I get
