

That's What I Get

Nine Inch Nails

Just when everything was making sense
You took away all my self-confidence
Now all that I've been hearing must be true
I guess I'm not the only boy for you

But that's what I get
That's what I get
That's what I get
That's what I get

How could you turn me into this?
After you just taught me how to kiss you
I told you I'd never say goodbye
Now I'm slipping on the tears you made me cry

But that's what I get
That's what I get
That's what I get
That's what I get

Why does it come as a surprise
To think that I was so naive
Maybe didn't mean that much
But it meant everything to me

But that's what I get
That's what I get
That's what I get
That's what I get
