She shines
In a world of ugliness
She matters
When everything is meaningless

Fragile
She doesn't see her beauty
She tries to get away
Sometimes
It's just that nothing seems worth saving
I can't watch her slip away

I wont let you fall apart

She reads the minds of all the people as they pass her by Hoping someone can see If I could fix myself I'd - But it's too late for me

I wont let you fall apart

We'll find the perfect place to go where we can run and hide I'll build a wall and we can keep them on the other side ...but they keep waiting ...and picking...

It's something I have to do
I was there, too
Before everything else

I was like you
