

# The Wretched

Nine Inch Nails

Just a reflection  
Just a glimpse  
Just a little reminder  
Of all the what abouts  
And all the might have  
Could have beens  
Another day  
Some other way  
But not another reason to continue  
And now you're one of us  
The wretched

The hopes and prayers  
The better days  
The far away  
Forget it

It didn't turn out the way you wanted it to  
It didn't turn out the way you wanted it, did it?  
It didn't turn out the way you wanted it to  
It didn't turn out the way you wanted it, did it?

Now you know  
This is what it feels like  
Now you know  
This is what it feels like

The clouds will part and the sky cracks open  
And god himself will reach his fucking arm  
Through  
Just to push you down  
Just to hold you down  
Stuck in this hole with the shit and the piss  
And it's hard to believe it could come down to this  
Back at the beginning  
Sinking  
Spinning

And in the end  
We still pretend  
The time we spend  
Not knowing when  
You're finally free  
And you could be

But it didn't turn out the way you wanted it to  
It didn't turn out quite the way that you wanted it

Now you know  
This is what it feels like  
Now you know  
This is what it feels like

You can try to stop it but it keeps on coming  
You can try to stop it but
