

Throw This Away

Nine Inch Nails

I want you to take me
I want you to take me
I want you to break me
And I want you throw me away

I want you to take me
I want you to take me
I want you to break me
And I want you throw me away

I want you to take me
I want you to take me
I want you to break me
And I want you throw me away

I want you to take me
I want you to take me
I want you to break me
And I want you throw me away
