

Remember Vito Andolini

Nino Rota

Speak softly love
And hold me warm against your heart
I feel your words
The tender trembling moments start

We're in our world
Our very own
Sharing a love that only
Few have ever known

Wine colored days, warmed by the sun
Deep velvet nights, when we are one

Speak softly love
So no one hears us but the sky
The vows of love we make
Will live until we die

My life is yours
And all because
You came into my world with
Love so softly love

Speak softly love
So no one hears us but the sky
The vows of love we make
Will live until we die
My life is yours
And all because
You came into my world with
Love so softly love
