## **Remember Vito Andolini**

Speak softly love And hold me warm against your heart I feel your words The tender trembling moments start

We're in our world Our very own Sharing a love that only Few have ever known

Wine colored days, warmed by the sun Deep velvet nights, when we are one

Speak softly love So no one hears us but the sky The vows of love we make Will live until we die

My life is yours And all because You came into my world with Love so softly love

Speak softly love So no one hears us but the sky The vows of love we make Will live until we die My life is yours And all because You came into my world with Love so softly love Nino Rota
