

# Dance Of Tragedy

Niobeth

This is my dance of tragedy,  
Greed, avarice,  
they are the dancers

My life's their stage  
and my destruccion  
is their work

They lie for money  
Destroy lives for money

Souls come to me  
Surround me with your magic  
Dance of Tragedy,  
I'll hand to you  
the keys to my paradise.

I believe,  
I'm your serf,  
I adore you  
like a God.

They lie for money  
Destroy lives for Money

Souls come to me  
Surround me with your magic  
Dance of Tragedy,  
I'll hand to you  
the keys to my paradise.

My supossed saviour may my sad tears be  
the daggers which go through your body  
before the incredulous eyes of those who adore you

They lie for money  
Destroy lives for money

Souls come to me  
Surround me with your magic  
Dance of Tragedy,  
I'll hand to you  
the keys to my paradise.

I believe,  
I'm your serf,  
I adore you..
