

# I Know That I Know Nothing

Niobeth

When you accept you know nothing light may come to you.

Heaven, reincarnation,  
hell or the nothing.  
You may find on the other side anything you dream.

ἐν οἶδα ὅτι οὐδὲν οἶδα.

Feel, imagine...

Only now that you don't know  
the end you are able  
to caress the sweet  
paradise of uncertainty.

When you accept...

Feel the shine of the stars  
and let you go  
because you can fill the void  
with the magic of your fantasies.

ἐν οἶδα ὅτι οὐδὲν οἶδα.

Believe that your way  
in the afterlife can be;  
choose your tomb,  
choose your death,  
without answer there exists a dream.

When you accept...

Feel the shine of the stars  
and let you go  
because you can fill the void  
with the magic of your fantasies.

Above fire and water exists  
an everything,  
feel near him.  
Universe, our only god.  
All together, creation.

The dream lost in (the) sanity  
of man comes to you as  
possible reality.  
I know that I know nothing.  
ἐν οἶδα ὅτι οὐδὲν οἶδα.
