Buying Benzes, just buying buckets,
Knock me off from my grind that's what they wasn't
My life was ugly and I got money
Kind of glimpse of that and that's not funny
She say she love me, she think she love me
She want my money, I think she funny

Get money with timers, Louie V persona,
Hit a nigga with a limer,
You don't want them problems
I do my thing in the kitchen
Should I .. the vision
And the road with the riches,
Stay flippin no vicious
Still away from the snitches,
That's how you get those stitches,
Only f*ck with my circle,

And when you smoke on purple,
Only kush out the Benzes,
When nigga come from, my nigga it's so the realest
