

## She Said Stop

Nipsey Hussle

I've been posted on the corner from new york to california she  
say stop but I don't wanna she say stop but I ain't gonna I jus  
t got to keep on hustlin' I just got to keep on movin' she say  
stop but I don't wanna she say stop but I ain't gonna (gorilla z  
oe man c'mon) she said stop whooooaaa whooooaaa whooooaaa she said  
stop whooooaaa whooooaaa whooooaaa she said stop whooooaaa whooooaa  
a whooooaaa she said stop whooooaaa whooooaaa whooooaa she say stop  
.

Leavin the house at three in the mornin can't help I gotta get  
to the corner breakin down pancakes get it through the handshak  
e drinkin redbulls poppin beans tryin to stay awake I ain't tal  
kin 'bout a coupon on 22's (nah) I'm talkin 'bout baby boy I ne  
ed some new shoes talkin bout momma sick and the rent due I can  
't stop ask yourself what would you do? middle of the night duc  
kin blue lights jabbed boy two turn into a gun fight I like the  
fists full of hundred won't get cought the cops move like turt  
les plus can't hardly breathe from the new price of purple yeah  
man gettin money like this people won't want to hurt ya your b  
est friends and ya folk won't wanna murk ya sway you guys gotta  
find a new circle

I've been posted on the corner from new york to california she

t got to keep on hustlin' I just got to keep on movin' she say  
stop but I don't wanna she say stop but I ain't gonna she said  
stop whooooaaa whooooaaa whooooaaa she said stop whooooaaa whooooaaa  
whooooaaa she said stop whooooaaa whooooaaa whooooaaa she said sto  
p whooooaaa whooooaaa whooooaa she say stop.

Hangin on the corner with your best friends singin song goin co  
me to a fast end I can't tell look like money lastin plus I lik  
e the way the benz sound when you smash it gotta eat hell no I  
am fastin but any time I hit the block I am goin ta blast it (b  
ah bah bah) come on mamma zoe boy you need to keep your ass in  
I have listened many times to get my ass in hit the club beer n  
ight joint blunt pass it
