

# All Apologies

Nirvana

1. What else do I be; all apologies  
What else could I say; everyone is gay  
What else could I write; I don't have a right  
What else should I be; all apologies

R: In the sun, in the sun I feel as one  
In the sun, in the sun I'm married  
Burried (yah, yah, yah, yeah)

2. I wish I was like you; easily amused  
Find my nest of salt; everyhting's my fault  
I'll take all the blame; aqua seafome shame  
Sunburn with freezer burn  
Choking on the ashes of her enemies

R: In the sun...

Married, Burried (yah, yah, yah, yeah)

(Do intro till fade)  
All alone is all we are
