

Drain you

Nirvana

One baby to another says
I'm lucky to have met you (dist)
I don't care what you think unless
It is about me
It is now my duty to completely drain you
A travel through a tube and end up in your infection

Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
'cause I like you

With eyes so dilated
I've become your pupil
You've taught me everything
Without a poison apple
The water is so yellow
I'm a healthy student
Indebted and so grateful
Vacuum out the fluids

Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
'cause I like you
You (5x)

One baby to another says
I'm lucky to have met you
I don't care what you think unless
It is about me
It is now my duty to completely drain you
A travel through a tube and end up in your infection

Chew your meat for you, Pass it back and forth
In a passionate kiss, From my mouth to yours
Sloppy it lips to lips, You're my vitamins
'cause I'm like you
