Drain you

One baby to another says I'm lucky to have met you (dist) I don't care what you think unless It is about me It is now my duty to completely drain you A travel through a tube and end up in your infection

Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours 'cause I like you

With eyes so dilated I've became your pupil You've taught me everything Without a poison apple The water is so yellow I'm a healthy student Indebted and so grateful Vacuum out the fluids

Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours 'cause I like you You (5x)

One baby to another says I'm lucky to have met you I don't care what you think unless It is about me It is now my duty to completely drain you A travel through a tube and end up in your infection

Chew your meat for you, Pass it back and forth In a passionate kiss, From my mouth to yours Sloppy it lips to lips, You're my vitamins 'cause I'm like you
